

A sample of what a printed license looks like appears below

**To legally use your license, you must follow these instructions:**

1. When you print your license, you **MUST** sign your license in the spaces provided. Your license it is not valid until it is signed.
2. You may cut along the outside border of the license, if desired.
3. Should you choose to laminate your license document, you **MUST** ensure that all sections of the license are visible for display to a law enforcement officer.
4. You **MUST** carry the printed license with you while participating in the activity covered by the license and display it to a law enforcement officer upon request. You are strongly encouraged to also carry photo identification in addition to your license, as law enforcement officers may require additional identification during routine license check.
5. **Recreational licenses purchased using this site are issued as a PDF document to be printed on your own computer system; they are NOT mailed.** The PDF of licenses can also be saved for future printing. Those wanting a license on our durable, waterproof paper can obtain them at any license vendor.
